

Master of Biostatistics Program

MP - 3A

Master's Project Landmark 3A| Project Progress Report Approved by the Examining Committee

Must Be Completed by **January 31** of the student's second year.

The purpose of this form is to allow the student, their advisor, and the DGS adequate time to work together to ensure successful completion of the project and on-time graduation in the event that complications arise during the conduct of the work, e.g., unexpected difficulties with data collection, software or other technical problems, etc. The student's advisor will submit this form at the same time that the student submits the MP-3 form

Student's Name: _____

Project Title: _____

Please check the box that best summarizes your assessment of the student's progress and performance to date.

- ☐ I have no concerns. I expect the student will finish the project satisfactorily on time.
- ☐ I expect the student can finish the project on time but reasonable modifications to the scope of work or schedule might be required.
- ☐ I am concerned the student cannot finish this project on time. I have substantial concerns regarding either the quality of the work or the pace of progress.

Please explain any relevant details to the Director of Graduate Studies (DGS). You may feel free to request a meeting with the DGS if you prefer to discuss your concerns in person:

PLEASE SIGN THIS FORM ELECTRONICALLY. DO NOT SUBMIT PAPER FORMS.

In Adobe Acrobat, open the Tools menu and select Certificates →Digitally Sign and draw a box on the form where your digital signature will be placed. Make sure you do NOT check the box that says "lock document after signing" so that others can sign after you. There is no date field on this form because your digital signature includes a date.

Advisor's Approval:

By signing below, I certify the above description of the student's progress.

Advisor's Digital Signature: _____

Director of Graduate Studies (DGS) Digital Signature: _____
